

KARE FOR KIDS

Jenny Jones of Vista Community Clinic poses with Susan Anderson, a branch manager at Coldwell Banker who recently presented a \$500 check to Vista Community Clinic in support of the clinic's Kare for Kids Fund. Through this fund, the clinic provides needed medical attention to more than 11,000 children each year. These children come from the working poor. Their parents earn too much to qualify for public assistance but not enough to afford private insurance. Thanks to the support of Coldwell Banker, Vista Community Clinic is able to fulfill its promise to the community to "never turn away a sick or injured child." *Courtesy photo*
