Vista Community Clinic's
23rd Annual Holiday Homes Tour

Mark your calendars! The 23rd Annual Holiday Homes Tour will be Sunday, December 6th, 2009, from 10am to 4pm and will feature four exquisite North County homes, all professionally decorated for the holidays plus the historic Rancho Buena Vista Adobe. Additionally, this year's event includes a showing of one of North America's largest collections of Pierce Arrow and other antique vehicles as well as admission into the Vista Historical Society and Museum. This event raises money for Vista Community Clinic's *Kare for Kids Fund*, providing needed medical attention to uninsured children. Help us fulfill our promise to, "never turn away a sick child."

Tickets are \$20 in advance, \$25 at the door. To purchase advance tickets please call (760) 631-5000 x 1418 or visit www.vistacommunityclinic.org/HHT.html. To purchase tickets the day of the event, visit the Rancho Buena Vista Adobe between 10am and 1:00pm.
