## Clinic announces scholarships

VISTA — The Vista Community Clinic recognized Sonia Gonzalez, asthma care coordinator, and Maria Orozco, pediatric clinic manager, as the first two recipients to receive its Karen A. Black Memorial Nursing Scholarship. The scholarship honors Black, who died of breast cancer in 2005. She was a registered nurse and later a nurse practitioner at the community clinic for more than 10 years. The scholarship program was started by friends and family as a way to pursue Black's dream of supporting the development of the staff's talent and careers.
