

Around North County

Clinic participates in cultural exchange

VISTA — The Vista Community Clinic recently welcomed Dr. Abdul Basir Mangal of Afghanistan for an intercultural exchange.

Dr. Basir Mangal, a surgeon, met with clinic leadership and visited medically underserved populations in North County. He also learned about how health clinics in the area serve low-income and uninsured people. He hopes to apply what he has learned to his practice in Afghanistan.

Dr. Basir Mangal was hosted by the Vista Rotary Club during his visit.
