VCC HEALTH AND RESOURCE FAIRS MARK NATIONAL HEALTH CENTER WEEK

VISTA, CA—Vista Community Clinic (VCC) will host two health and resource fairs to mark National Health Center Week.

The first event will be held from 9 to 1 p.m. on Wednesday, Aug. 10 at VCC: North River, 4700 North River Road in Oceanside. The second fair will be from 9 to 1 p.m., Saturday, Aug. 13 at VCC: Vale Terrace, 1000 Vale Terrace Drive in Vista.

Both events will feature health information, free screenings for blood pressure and glucose, and activities for the entire family. There will be food distribution on a first come, first serve basis. Information will be available on VCC health services, health education programs and health insurance enrollment assistance. The American Heart Association will present Heart Health, a free workshop from 10 to 11 a.m. on Aug. 13 at VCC: Vale Terrace Women's Center. For more information, call (760) 631-5000 x7206.

The VCC health fairs will mark the annual National Health Center Week to be held Aug. 13-20 to celebrate the work of health centers across the nation. Health centers provide affordable medical care to nearly 23 Americans each year. The majority of health center patients are low-income and medically underserved. This year's theme is Celebrating America's Health Centers: Innovators in Community Health.

About VCC

With seven locations in the cities of Vista, Oceanside, Lake Elsinore and La Habra, VCC provides affordable, high quality health care to more than 55,000 patients each year. Services offered by VCC include primary care, pediatrics, prenatal and women's health, optometry, dental care, chiropractic services, and behavioral health. VCC also offers a wide array of innovative health education programs and free health enrollment services to all community residents. VCC is recognized by the National Committee for Quality Assurance (NCQA) as a Level 3 (highest) Patient Centered Medical Home. For more information, call (760) 631-5000 or visit www.vcc.clinic.
