Holiday Homes Tour Raises More Than $56,000 for Kare For Kids Fund

VISTA—Vista Community Clinic’s 27th Annual Holiday Homes Tour drew 800 visitors and raised more than $56,000 for the clinic’s Kare for Kids fund through ticket sales and sponsorships by individuals and businesses.

Kare for Kids, established in 1986, has allowed Vista Community Clinic to provide services such as immunizations, yearly physicals, and treatment for injuries and illnesses to more than 11,000 North County children each year. The Holiday Homes Tour is a major source of support for Kare for Kids.

This year’s tour featured the historic Rancho Buena Vista Adobe and four private residences in Vista. More than 100 volunteers contributed their time and talents toward the planning and execution of Holiday Homes Tour.
