

NEWS RELEASE

June 17, 2022

Vista, CA – [Vista Community Clinic \(VCC\)](#) will be hosting its annual gala, in person, on *Saturday, September 24* at Omni La Costa Resort & Spa. The evening will start at 6:00 pm and feature *John O’Hurley*, best known for his role as Mr. J. Peterman in the comedy series *Seinfeld*, as emcee and entertainer. The theme for this event will be “*50 years of service*” as VCC reflects on 50 years of providing quality healthcare services to those who need it most. Funds raised during the gala have a tremendous impact on what services, programs, and support VCC is able to provide to our patients and community members. This year funds will go towards expanding VCC’s Senior Care services.

“VCC is dedicated to helping our senior community members age with dignity,” says Fernando Sañudo, CEO of Vista Community Clinic. “Together with our community partners and supporters, we can continue to reach many seniors that otherwise may not have access to healthcare.”

The gala offers us a time to reflect alongside all of our supporters, donors, and community members on “*50 years of service*” from our humble beginnings in a Vista animal shelter to the present day. Guests can look forward to hearing patient stories, enjoying delicious food, and taking part in our live/silent auctions.

Tickets are now available. Individual Tickets are \$300 and sponsorship opportunities are still available. Visit <https://www.vistacommunityclinic.org/2022-Gala/> for more details.
